**Deputy Mayor Rossi** said the Fire Department responded to 115 incidents. She congratulated Captain James Trzaski who will be the new Fire Chief for Beacon Falls. She thanked him for his many years of service to our community. The Deputy Mayor congratulated Burgess Burns for being honored at the Grange.  
**Burgess Olbrys** said the Planning Commission will continue with a public hearing next month for D'Archangelo Estates which is not an approved road yet. There is a proposed gas station/donut shop and convenience store on Prospect Street. They sent a positive referral for the community garden. The VNA referrals are down and patients will be receiving letters telling them where their records will be kept. **For the record:** "Serving on the VNA Advisory Board has been a very good experience. I've learned a lot. The nurses there and the home health care aides and the administrators, they've served this community really well and they've done a great thing. Budgets have been tight and we've had to make tough choices. That's probably one of the hardest decisions that I had to make was to vote to only fund that agency for half a year. I just want to commend everybody who worked there past and present for their service to our citizens and to this borough."
51. **VOTED:** Unanimously on a motion by Deputy Mayor Rossi and seconded by Burgess Scully to adjourn the meeting at **8:59 p.m.**

**A digital recording of this meeting is available in the office of the Borough Clerk for further review.**
